CAMARA BOUND FOR PHILIPPINES.

So Sagasta Announces—Bitter Attack on Government in Cortes.

LONDON, June 24.—The Madrid correspondent of the Daily Mail says:

"Senor Sagasta informed the Chamber of Deputies to-day (Thursday) that Admiral Camara's squadron was on the way to the Philippines.

"Professor Salmeron, the Republican leader, in a bitter attack upon the government, declared that the monarchy was to blame for all that has happened, and he warned the ministers that if they suspended the Cortes justification would be afforded for the use of other means. His speech roused a tempest, and the sitting was suspended."

FOUNDING PEOPLE AS TO PEACE.

The Madrid correspondent of the Morning Post says:

"The government, it is reported, has authorized its agents throughout the country to ascertain the opinion of the people as to the desirability of terminating the war.

"Senor Sagasta will announce the result after the Cortes is pronounced."

THE UNIFORMS OF GRAY.

They Are Ready, But the Soldiers Are Away and Money Lacking.

The First Regiment seems to have fallen on parlous days, indeed. It has been disintegrated by the call for troops, and now its last state is worst of all, for the regimental tailor has 200 hand-some gray uniforms ordered for those men who have since gone to the war, ready for delivery, and demands payment of a bill of \$7,000, or thereabouts.

The situation is no less peculiar than interesting. At the beginning of this year the officers of the regiment in

meeting assembled, adopted a very attractive full-dress uniform of gray material. Messrs. Jacob Reid & Sons, of Philadelphia, were awarded the contract upon the following terms: Three hundred and fifty uniforms, to cost upwards of \$7,000, were to be made to measure and delivered May 16th; 2,000 of the purchase money was to be paid upon delivery of the uniforms, and the balance in twelve months. It was proposed to use for this purpose the money standing to the credit of the regiment, and of the companies, with next year's appropriations from the city and State.

When the time for the delivery of the uniforms came, however, those men who had volunteered were getting ready for active service. The tailor asked for an extension of time, as there had been some delay in getting the quantities for the uniforms from France. The extension was granted, and nothing transpired until last Monday, when the firm's representative came here to make arrangements for the delivery of the uniforms.

Colonel Jones had, in the mean time, resigned, and Lieutenant-Colonel Anderson declined to have anything to do with the matter, saying that he did not think he had any jurisdiction, and certainly could not use the funds of the regiment to pay the bill.

The contract had been entered into by the captains of the several companies, and the regiment was not liable for the debt.

The firm claims that the captains jointly and severally are bound for the contract, and they will, it is said, proceed to test the case by attaching the funds in bank.

Miss Florence Barrow, Miss Williams, Misses Berta and Elsie Gilmour, and other school friends are visiting Miss Pollock, at Virginia Beach, chartered by Miss Margaret Lee.

Several young ladies from Warrenton, and will make a merry house party for the next ten days.

LANCASTER, PA., June 23.—(Special.) The Richmond club made its first appearance in this city to-day, and succeeded in taking a game from Manager Rinn's champions by better all-around work, the score being 12 to 7.

The visitors outplayed the locals and hit Clausen, their crack twirler, whenever hits were needed. Clausen also helped them along by giving untimely bases on balls, once forcing in a run. Schmidt pitched a splendid game. He was too much for the Lancaster boys, and the few hits made off him were widely scattered.

The game was played at the F. and M. College grounds. Buffalo Bill's show occupies the usual park, and this accounts for the unusual number of home runs, the field being rather small. Klopff took advantage of this and his batting was a feature. Twice he sent the leather over the fence, once doing the trick with two men on bases. Leahy was also a power with the stick, cracking out three safe ones. Chiles, of Lancaster, made a home-run with the bases full.

The last-daying of the locals was in sharp contrast with the shabby clean exhibition given by the visitors. Jake Wells' terriers played in genuine pennant-winning form, backing up their heavy hitting with bits of fielding that drew out the plaudits of the crowd. Hagrove made two great catches in center field. Ralph Seybold, who last year helped to win the pennant for Lancaster, was an object of special interest to old admirers. He showed that his batting orb is still in good trim by touching up his old associates for two hits. In the field, he got only two chances, one being the last play of the game, and he accounted both.
